### **REASONS FOR ALLOWANCE**

1. Claims 22-37 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claims 22, 29, 33 and their extended claims is the claimed subject matter regarding "a detector device for detecting the passage of the indications, the detector device being located in the vicinity of the path, wherein the detector generates at least two signals, the statuses of which vary between a first state and a second state as the indications pass by; and, direction determining means for determining the statuses of the signals and for determining the rotation direction of the crankshaft on the basis of the statuses of the signals, and a control means for keeping a count based on the number of indications detected by the detector device and for controlling the engine based on the count" which the prior art references did not disclose.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
